1. Interest Rate and APY

When the RewardChecking qualifications are not met, the interest rate on your account will be .10% and the annual percentage yield will be 0.10%. When the RewardChecking qualifications are met, the interest rate on your account and corresponding annual percentage yield will be tiered. If your daily balance is \$10,000 or less, the interest rate paid on the entire balance will be 2.96% with an annual percentage yield of 3.00%. An interest rate of .75% will be paid only for that portion of your daily balance that is greater than \$10,000. The annual percentage yield for this tier will range from 0.75% to 3.00%, depending on the balance in the account. The interest rate and annual percentage yield may change. We may change the interest rate on your account at any time. Interest will be compounded on a or monthly basis. Interest will be credited to your account on the last day of the statement cycle. If you close your account before interest is credited, you will not receive the accrued interest. Interest begins to accrue on the business [banking] day you deposit noncash items

(for example, checks). We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day. **The RewardChecking APY is based on compounding interest. Please be aware that interest earned in RewardChecking is automatically transferred to RealSaver (where applicable) each statement cycle and does not compound. As a result, the actual interest amount paid for RewardChecking may be less than the APY disclosed for that account. The RealSaver APYs may be less than the RewardChecking APYs.** The Interest Rate and Annual Percentage Yield may change at any time as determined by the Credit Union's Board of Directors.

2. Other Account Information

You must deposit \$25 to open this account. See attached fee schedule for fees that apply to this account. RewardChecking limited to one per member (per Social Security Number) . Please see the MECU MEMBERSHIP AND ACCOUNT AGREEMENT for additional information.

3. Qualifications

To qualify for "RewardChecking" rates and receive reimbursements on your ATM fee surcharges, you must perform the following during the monthly qualification cycle:

1. **Have at least 12 Debit card purchases post and clear**
2. **Have at least 1 Direct Deposit, ACH transaction or BillPayer transaction**
3. **Receive e-statements**

Please note that transactions MUST post and clear to your account during the monthly qualification cycle. They may not be in a pending state to qualify as one of the qualifications. Transactions may take one or more banking days from the date the transaction was made to post to and clear an account.

4. **Fees for Overdrawing Accounts.** Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit transaction (if member has consented to Extended Overdraft Protection plan for ATM and one-time Debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an Extended Overdraft Protection limit for your account, such fees may reduce your approved limit. Please refer to the Fee Schedule for current fee information. For ATM and one-time debit transactions, you must consent to the MECU's Extended Overdraft Protection plan in order for the transaction amount to be covered under the plan. Without your consent, MECU may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document that MECU uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

5. **Monthly Qualification Cycle and Monthly Statement Cycle Explanation**

"Monthly Qualification Cycle" means a period beginning one banking day prior to the first day of the current statement cycle through one banking day prior to the close of the current statement cycle. Your account will be automatically qualified on that one day prior to the first day of the current statement cycle. What this means for you is if you did not qualify for the higher preferred rate, you might notice a slightly higher than the base rate APY earned on your statement due to the one day (the last day) being calculated with the higher preferred rate.

6. **ATM fees.** When you use an ATM for a cash withdrawal not owned by us, you may be charged a fee by the ATM operator or network. You may be charged a fee for a balance inquiry even if you

do not complete a fund transfer. When you meet the monthly qualifications for RewardChecking, those ATM fees will be reimbursed up to a maximum of \$5 per transaction and \$20 per monthly qualification cycle.
