If a transfer from a deposit account draws funds from a line of credit, or you directly make a transfer from your line of credit, you may be charged a fee for each advance, as stated in your line of credit agreement. All charges (if any) for **Mobile (Remote) Deposit, External Transfer, Person-to-Person, and Bill Pay** are disclosed in MECU CREDIT UNION's Fee Schedule. G. Information Authorization:

By utilizing the Services, you authorize MECU CREDIT UNION to periodically verify your identity by obtaining information about your credit history from a consumer reporting agency. Information obtained will be used only in accordance with the Fair Credit Reporting Act and other applicable laws. We reserve the right to deny your access to any of the Services if we cannot verify your identity or other necessary information. In addition to obtaining a consumer report, our service providers reserve the right to obtain such additional information as we or they deem necessary to ensure that you, or persons to whom you may transfer funds are not using our Services in violation of applicable law, including, but not limited to, laws and regulations designed to prevent "money laundering" or the transfer of funds to or from person or organizations whose accounts are blocked under regulations of the Office of Foreign Assets Control of the United States Treasury Department. From time-to-time, we or our service providers may also verify the identity and ownership of any Accounts added to your electronic banking profile.

H. Amendments; New Services; Termination of Services:

This Agreement may be amended from time to time, and supersedes any verbal conversations, other communications, and previous agreements, if any between you and us. We may amend this Agreement upon notice to you, which you agree may be sent by e-mail or by an announcement conspicuously displayed directly within the Services or on our website. Any notice will be effective no later than ten (10) days after we send or post the notice unless a law or regulation requires a longer notification period, whether or not you have retrieved or viewed the notice by that time. We may, from time to time, introduce new services and features/functions that are part of the Services. We may update this Agreement as needed to notify you of these new features/functions. By using the Services after those new features/functions become available, you agree to be bound by the terms contained in the revised Agreement. In most situations you, as the end user, must agree to accept the new features/functions prior to using. Your acceptance means you are agreeing to be responsible for use of these features/functions. You are responsible for complying with all the terms of this Agreement and with the terms of the agreements governing the Accounts to or from which transfers are made using the Services. We may terminate your use of the Services under this Agreement without notice to you if you fail to pay any fee when due, or if you fail to comply with any provisions of this Agreement or any agreement governing your Accounts, or if any such Account is not maintained in good standing. We reserve the right to automatically terminate your Online Banking, Bill Pay, or Mobile Banking service without notice, if there has been no activity for **90 consecutive days**.

I. Substitute Checks:

1. Description

To make check processing faster, federal law permits financial institutions to replace original checks with "substitute checks". These checks are similar in size to original checks with slightly reduced image of the front and back of the original check. The front of the substitute check states: "This is a legal copy of your check". You can use it the same way you would use the original check. You may use a substitute check as proof of payment just like the original check. Some or all of the checks that you receive back from us may be substitute checks. This notice describes rights you have when you receive substitute checks from us. The rights in this notice do not apply to original checks or to electronic debits from your Accounts. However, you have rights under other laws with respect to those transactions.

2. What are your rights regarding substitute checks?

In certain cases federal law provides a special procedure that allows you to request a refund for losses you suffer if a substitute check is posted to your Account. For example, in situations where you believe that we withdrew the wrong amount from your Account or that we withdrew money from your Account more than once for the same check. The losses you may attempt to recover under this procedure may include the amount that was withdrawn from your Account and fees that were charged as a result of the withdrawal (negative account fees). The amount of your refund under this procedure is limited to the amount of your loss or the amount of the substitute check, whichever is less. You are also entitled to dividends on the amount of your refund if your Account is a dividend-bearing account.

If your loss exceeds the amount of the substitute check, you may be able to recover additional amounts under other applicable law. We may reverse the refund (including dividends on the refund) if we later are able to demonstrate that the substitute check was correctly posted to your Account.

J. Liability; Unauthorized Use; Errors:

1. Liability for Unauthorized Use

Generally, tell us AT ONCE if you believe your username or password has become known by an unauthorized person, or that someone has transferred money without your permission. Contacting us immediately by telephone (410-752-8313) is the best way of keeping your possible losses to a minimum. You can also write to us: 1 South Street, Baltimore, MD 21202.

If you notify us within 2 Business Days after discovery that your username and/or password have become known by an unauthorized person, your potential maximum loss is \$50.00 if an unauthorized person used your personal codes without your permission to process a transaction. If you fail to notify us within 2 Business Days and we can prove we could have stopped someone from using your username and password without your permission if we had received notification, you could be liable for as much as \$500.00. Additionally, if your statement reveals electronic funds transfers that you did not make or authorize, notify us immediately. If you fail to notify us within 60 days after the statement was mailed to you, you may not recoup any lost funds after the 60 days if we can prove that we could have stopped someone from taking the money if you had notified us within the specified 60 day period. Depending upon the reason for the failure to remit notification, e.g. extended hospital stay, we may extend the disclosed reporting time periods.

2. Contact in Event of Unauthorized Use

If you believe your username or password has become known by an unauthorized person, or that someone has transferred money without your permission, you are to notify us immediately at: 410-752 8313. You can also email us by using the secure message function under the Member Services tab within Online Banking or write to us: 1 South Street, Baltimore, MD 21202.

3. Errors or Questions

In case of errors or questions about your electronic payments or transfers using the Services, contact us as noted above in the **Contact in Event of Unauthorized Use** section.

If you think your statement is incorrect or if you need more information about a transfer listed on the statement, contact us as soon as possible. We must hear from you not later than sixty (60) days after we sent the first statement on which the problem or error appeared, and you must:

- Indicate your name and Account number;
- Describe the transfer or other error; clearly and concisely explain why you believe it is an error or why you need more information;
- Indicate the dollar amount of the suspected error.

If you verbally tell us, we may require that you send your complaint or question in writing within 10 Business Days. We may also require you to provide your complaint in the form of an affidavit.

We will let you know the results of our investigation within 10 Business Days and will promptly correct any error. If more time is needed, we may take up to 45 days to investigate and address your complaint or question. If so, we will provisionally re-credit your Account within 10 Business Days for the amount you believe to be in error in order for you to have use of your money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 Business Days, we may not provisionally re-credit your Account.

If you are a new member, for electronic funds transfer occurring during the first 30 days after the first deposit is made to your Account, the applicable time periods for action by us is up to 20 Business Days (instead of 10) and 90 calendar days (instead of 45).

If we determine that there is no error, we will remit an explanation within 3 Business Days after completion of our investigation. You may ask for copies of the documents that we used in our investigation.

With the exception of the foregoing, if the service incorrectly debits your funding account and/or directs funds from your funding account to a payee inconsistent with the instructions you specified in the scheduled payment, the service shall, upon detecting the error or receiving notice from you, be responsible for returning the improperly transferred funds to your funding account and/or redirecting funds to the proper payee and/or contacting the payee to request appropriate adjustments on your account with the payee except as otherwise provided under the **Authorization** section below.

Liability: You will be responsible for any payment request you make that contains an error or is a duplicate of another payment. MECU CREDIT UNION and/or our service provider is not responsible for a payment that is not made if you did not properly follow the instructions for making a payment. MECU CREDIT UNION and/or our service provider is not liable for any failure to make a payment if you fail to promptly notify MECU CREDIT UNION after you learn that you have not received credit from a payee for a payment. MECU CREDIT UNION and/or our service provider is not responsible for your acts or omissions or those of any other person, including, without limitation, any payee or transmission or communications facility, and no such party shall be deemed to MECU CREDIT UNION and/or our service provider's agent. In any event, MECU CREDIT UNION and/or service provider will not be liable for any special, consequential, incidental, or punitive losses, damages, or expenses in connection with this agreement or the service, even if MECU CREDIT UNION and/or service provider has knowledge of the possibility of them. MECU CREDIT UNION or our service provider is not liable for any act, failure to act or delay in acting if it is caused, in whole or in part, by any cause beyond MECU CREDIT UNION's or our service provider's reasonable control.

Setting Up and Maintaining Payees: To begin using the Bill Pay Service, you will first need to establish at least one payee in your payee list. You may add, modify or delete payees as necessary. It is your responsibility to manage your payee List and maintain accurate payee information, such as but not limited to the address to which the payee specifies payments are to be delivered, your account number with the payee, the name on your account with the payee, etc., except where the service expressly indicates that it shall manage such payee information, such as a merchant's remittance address. Payees must reside or exist within the United States of America or its territories or commonwealths. MECU CREDIT UNION or our service provider reserves the right to refuse or remove a payee for any reason.

Setting up Payments: To schedule payments you must choose a payee from your payee list. You may schedule one-time payments and recurring payments to any of your payees. It is your responsibility to cancel, skip, reschedule or revise a scheduled payment in accordance with the payee's instructions to you, or as needed to ensure sufficient available funds in the corresponding funding account, or under circumstances where the payee may return the payment to the service provider due to any reason outside MECU CREDIT UNION's or our service provider's control. We reserve the right to refuse or cancel a payment for any reason. The earliest possible payment date/ withdraw on date and due date/ deliver by date for each payee will be determined and presented by the service when you schedule a payment. The service will not permit a payment date/withdraw on date or due date/deliver by date earlier than the earliest possible dates presented. The service determines this earliest possible payment date /withdraw on date and due date/ deliver by date based on the number of Business Days required to deliver a payment to the payee, which is primarily affected by whether or not the payee has agreed to accept remittance of payments electronically (typically 1 or 2 Business Days) or requires payments be delivered by check (typically 4 or 5 Business Days). A payee's location or policies for posting and crediting payments may require additional Business Days. Payments scheduled after the service's cut-off time shall be processed no earlier than the following Business

Day. Currently, the cut-off time for Bill Pay is 10:00 P.M. Eastern Standard Time, MECU CREDIT UNION or our Bill Pay Service provider may change the cut-off time without prior notice. You should carefully consider factors such as the payee's date payment due, grace period, whether the payee's date payment due falls on a non-Business Day, etc., when scheduling a payment to avoid late payments and late fees. You must allow the necessary number of Business Days prior to the payee's date payment due for each payment, including each payment of a recurring payment series. Some businesses take longer to post payments than others. You should consider allowing additional time for the initial payment to a payee through the service in order to gauge the appropriate payment date/withdraw on date or due date/deliver by date in each case, and determine whether to allow an additional one (1) or two (2) Business Days to avoid incurring any late fee charged by the merchant. It is your responsibility to schedule payments appropriately and in accordance with the payee's requirements. In addition, it is your responsibility to ensure that the funds for your bill pay item is in the account at the time you schedule a payment, regardless if you have recurring payments. MECU CREDIT UNION is not responsible for any fees associated for payments that have been scheduled and the funds not available at the time the Account is debited (same day or up to two business). MECU CREDIT UNION is not responsible for NSF fees, late payments, nor reimburse you for late fees, for any payment delivered in accordance with your instructions, or as a result of a payee's payment processing policies, or any other circumstance outside the service provider's control. Payments to payees, businesses or individuals, outside the United States of America or its territories or commonwealths, are prohibited.

Editing or Canceling Payments: Any payment can be modified or canceled, provided you access the service prior to the cut-off time on the Business Day payment is going to be processed. Once a payment is in-process, it cannot be canceled through the service. Instead, you must contact MECU CREDIT UNION to request a stop payment, fees may apply for stop payment requests. A recurring payment may be edited or canceled after processing for the current payment instance is complete.

Stop Payment: You may request to stop payment after a payment has been processed by contacting MECU CREDIT UNION. The service's ability to successfully stop payment depends on how the funds were remitted to the payee and the elapsed time since the payment was processed. The service provider and the financial Institution will make commercially reasonable efforts to stop payment per your request, but shall have no liability if unsuccessful. You may be charged a stop payment fee for each request.

Exception Payments: Tax payments and court ordered payments may be scheduled through the service; however such payments are discouraged and must be scheduled at your own risk. In no event shall MECU CREDIT UNION or our service provider be liable for any claims for damages resulting from you scheduling these types of payments. The service provider shall have no obligation to research or resolve any claim resulting from any such payment. All research and resolution for any misapplied or misdirected payments will be your sole responsibility.

Authorization: When you schedule a payment, you expressly authorize the service provider or MECU CREDIT UNION to withdraw from your funding account the payment amount and to remit those funds to the designated payee on your behalf, and additionally to debit your funding account for any applicable service related fees. You further authorize MECU CREDIT UNION to credit your funding account for any payment returned from or undeliverable to the payee. In addition, you certify that the funding account is an account from which you are authorized to make payments and incur debits. You agree to have available and collected funds on deposit in the designated funding account in amounts sufficient to process each payment as requested by you, as well as any other payment obligations you have with MECU CREDIT UNION, who reserves the right, without liability, to reject or reverse a payment if you fail to comply with this requirement or any other terms of this agreement. If you do not have sufficient funds in the funding account and MECU CREDIT UNION has not exercised its right to

reverse or reject a payment, you agree to pay for such payment obligations on demand. You further agree that MECU CREDIT UNION, at its option, may charge any of your accounts held at MECU CREDIT UNION cover such payment obligations. You authorize the service provider and MECU CREDIT UNION to contact your payees to request appropriate adjustments consistent with your payment instructions and/or as pertaining to the service guarantee and responsibility, and/or to stop payment on any draft issued against your funding account in connection with the service in the unlikely event that the service remits funds incorrectly to any of your payees, and/or to withdraw funds from your funding account in such event if you otherwise receive the benefit of the amount of such incorrectly remitted funds.

Returned Payments: In using the Bill Pay Service, you understand that payments may be returned by or to the service provider for various reasons including but not limited to: the account or account number at the payee is not valid, the payee address is not valid, the payee returns or rejects the remittance item, the account at the payee has been paid in full or has been turned over to another company or individual. The service shall use commercially reasonable efforts to research and correct the returned payment, or void the payment and credit your payment account. You may receive notification from the service.

Account and Contact Information: It is your sole responsibility to maintain accurate and complete contact information and funding account information in your user profile. This includes, but is not limited to, name, address, phone numbers and email addresses, and verifying account numbers. Changes can be made within the Bill Pay Service.
