## Dovly Uplift

Dovly Uplift is designed to help cardholders improve and protect their credit score. The Dovly difference is its smart credit engine that includes a proprietary algorithm and direct integration with the credit bureaus. Dovly detects negative items on the cardholder's credit report and optimizes the removal of potential errors quickly and efficiently.

### How This Card Benefit Program Works

Visa cardholders must enroll to use Dovly Uplift. They can choose the complimentary Dovly Uplift benefit, or an upgraded Dovly membership at a market-leading discount. The steps for the enrollment process are outlined below:

- Cardholders visit the Dovly Uplift website ([dovlyuplift.com](https://dovlyuplift.com)) and enter their U.S.-issued Visa card number to verify eligibility. The card will not be charged.
- Enrollment in Dovly Uplift requires cardholders' first and last name, email, password creation, Social Security number, date of birth, address, and phone number.

Upon successful enrollment, Dovly displays negative items impacting the cardholder's score, and the cardholder confirms if any items need to be disputed.

Dovly's algorithm prioritizes disputes across all tradelines based on highest impact and re-prioritizes as members submit more disputes (each tradeline has 32 parameters that can be inaccurate). Dovly automatically transmits disputes to TransUnion in groupings, cadence and sequences calibrated to optimize results, and notifies the cardholder when dispute results are available.

Available at no cost, Dovly Uplift offers Visa cardholders:

- **Monthly credit report and score:** A detailed TransUnion credit report and score every month to help cardholders keep up with their credit.
- Help detecting and disputing inaccurate items on their TransUnion credit report in an optimal way thanks to Dovly's proprietary algorithm. Cardholders can:
  - Review their credit report for potential errors
  - Select items to dispute
  - Check dispute status
  - Receive alerts and recommendations
  - Learn via Dovly's financial literacy knowledge center
- **Ongoing credit monitoring:** Cardholders receive alerts any time there is a 10-point change in their credit score.
- **Credit alerts:** Alerts for signs of identity theft, along with notice of changes on cardholder's report.
- **Powerful results:** 90% of Dovly members see a double-digit credit score increase within 6 months.<sup>1</sup>
- **Live U.S.-based member services and support:** Credit experts available to assist cardholders via chat, email, and phone.
- **Convenient access:** Cardholders can access all of Dovly Uplift's features via Dovly's mobile app and website.

Visa cardholders will also have access to **market-leading discounts** if they are interested in upgrading to a more robust plan that includes premium features, such as 3-bureau dispute service, identity theft insurance, discount perks, and more. Note: Dovly Premium is currently not available to residents of Georgia, Minnesota, or Puerto Rico.

**Note:** While Dovly's platform is designed to remove inaccuracies from a credit report, every case is different, and not everyone will achieve the same results.

1. Based on a sample of 18,062 Dovly members as of May 2022.
