Except as specifically described, the following disclosures apply to all of the accounts.

1. Rate Information. The Annual Percentage Yield (APY) is a percentage rate that reflects the total amount of interest to be paid on an account based on the interest rate and frequency of compounding for an annual period. For all accounts, the Interest Rate and Annual Percentage Yield may change at any time as determined by the Credit Union's Board of Directors.

2. Interest Compounding and Crediting. The compounding and crediting frequency applicable to each account is set forth in the Rate Schedule. The Interest Period begins on the first calendar day of the period and ends on the last calendar day of the period.

3. Accrual of Interest. For all accounts, interest will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For all accounts, if you close your account before accrued interest is credited, accrued interest will not be paid.

4. Balance Information.

The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Holiday Savings, Traditional IRA, Roth IRA, and Checking accounts using a Daily Balance method, interest is calculated by applying a daily periodic rate to the balance in the account each day. Also for Holiday, IRA, and Roth IRA accounts, there is a minimum Daily Balance required to earn the Annual Percentage Yield disclosed for the crediting period. If the minimum daily balance is not met each day for the period, you will not earn the stated Annual Percentage Yield.

5. Account Limitations. The number of withdrawals or transfers for these accounts that you make in-person or by mail are unlimited. These transactions are considered made on the date the transaction posts and clears your account, not the date the withdrawal request was initiated.

6. Fees for Overdrawing Accounts. Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit transaction (if member has consented to Extended Overdraft Protection plan for ATM and one-time Debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an Extended Overdraft Protection limit for your account, such fees may reduce your approved limit. Please refer to the Fee Schedule for current fee information. For ATM and one-time debit transactions, you must consent to the MECU's

Extended Overdraft Protection plan in order for the transaction amount to be covered under the plan.

Without your consent, MECU may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document that MECU uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.
